RESPONSE TO NOTICE TO COMPLY

50-1213. If a Petition for extension of time is needed, this paper is to be considered such Petition.

The Substitute Sequence Listing differs from the Sequence Listing as originally filed in that the Substitute Sequence Listing reflects corrections made in response to the Raw Sequence Listing Error Report supplied with the Notice to Comply mailed January 3, 2001 as follows:

On line 29, the Application number --US/09/724,693-- was added;

on line 247, SEQ ID NO. 6, the Molecule type "RNA" was replaced with --DNA--;

on line 256, SEQ ID NO. 6, the missing "end of line" nucleic acid number --47-- was inserted;

In SEQ ID NO. 10, before "5,418,155", "PATENT NO." was deleted and --(H) Document Number-- was inserted.

Since these corrections are formal, not substantive, no new matter has been added.
